Faith Questions

- What is faith?
- How do we get it?
- Can we get more of it?
- Is faith unscientific and irrational?
- Is faith for sissies and the ignorant?
- What is the power of faith?

Definition: (verb)

“Faith is the confident, reasonable belief that something is true or real in the absence of absolute proof, leading one to action.”

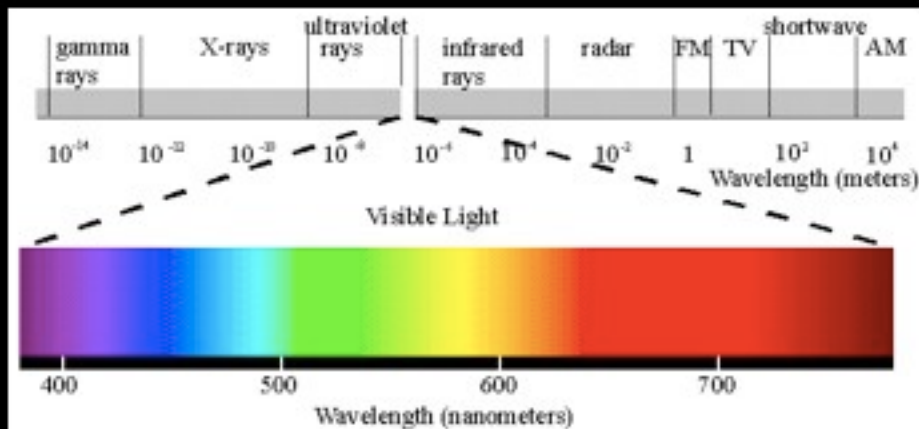

Faith:

sees what is real but
invisible

Hope:

sees what is real but not
yet

Faith principle #3:

The power of faith is not faith itself but the object of the faith.

“And without faith it is impossible to please Him, for he who comes to God must believe that He is and that He is a rewarder of those who seek Him.”

Heb. 11:6

So we fix our eyes not on what is seen, but on what is unseen. For what is seen is temporary, but what is unseen is eternal.
