***When Life Isn't Working:  
Rebuilding Spiritual Foundations***

*"When the foundations are being destroyed,  
what can the righteous do?"  
Psalm 11:3*

Our speaker will be David A. Case. David is Founder and Director of Live Free Ministries (<https://www.livefreeministries.com>) in McPherson, Kansas. He ministers to those who are struggling with dysfunction at any level. David's first book was *Going Deeper*. Ten books later, he continues to minister practical and profound insights into the spiritual realm. These insights are transformational to the one who has been walking with Christ for years, as well as for the struggling addict who came in off the street. God truly has answers for whoever calls on Him!

David has over 30 years of experience pastoring and was in Christian school administration and board oversight for 19 years. He has pioneered and led the faith-based recovery program Live Free Ministries for 22 years (and counting). In addition to his 11 books, he has authored a full curriculum detailing insights into heart transformation.

David and his wife, Kelly, have been married for 42 years. Kelly works as a labor and delivery nurse. They have three adult children and eight grandchildren. Their children are all involved in ministry in various capacities.

## ABOUT THE TOPIC

In the chaos that is modern America:

- \*How do we effectively share the gospel in a post-Christian nation?
- \*What does work today? What doesn't work?
- \*How do we stay on message in a way that changes lives?
- \*When people lack the foundation of a Judeo-Christian heritage, where do we start?
- \*How do we bridge the gap in a culture where we cannot hear one another?

David will teach about the layers of spiritual development that are needed to grow a solid faith. We often major on ideas, but there is more to spirituality than the latest fad of how to “do discipleship.” Actually, the brokenness we see in our world today is an incredible opportunity to touch people if we can facilitate growth and life. Do you know how to be life for those in need?

David is open to any questions on how faith can be effective in addressing addiction, as well as questions on how to approach discipleship in a way that changes lives. Bring questions. Be prepared for an interactive experience!
